Town & Country
MOTEL

The image depicts a mid-20th-century motel complex. A prominent feature is a large, ornate neon sign for "Town & Country MOTEL" mounted on a tall pole. The sign is illuminated at night and features decorative scrollwork. In the foreground, a large, rectangular swimming pool is the central attraction. Several people are in the water, and others are sitting on the edge or on lounge chairs around the pool deck. To the left, a covered area with tables and chairs provides shade for guests. The background shows a long, single-story building with a dark roof and light-colored walls, typical of mid-century architecture. A few cars are parked in front of the building. The sky is clear and blue, suggesting a sunny day.
